College Song

Old Melody

I

Our strong band can ne'er be broken,
Formed in Fairfax High—
Far surpassing wealth unspoken,
Seal'd by friendship's tie.

CHORUS

Alma Mater, Alma Mater,
Deep graven on each heart,
Shall be found unwav'ring true,
When we from life shall part.

II

Mem'ry's leaflets close shall twine
Around our hearts for aye,
And waft us back, o'er life's broad track
To pleasures long gone by.

III

High school life at best is passing,
Gliding swiftly by;
Then let us pledge in word and deed,
Our love for Fairfax High.

The yearbook which has been an annual publication since the organization of the school twelve years ago, has proved to be very successful. The main purpose is to bring to each student a book which he can keep and treasure as a memento of his school days at Fairfax High.

The Staff puts many hours of hard work on the compilation of the annual and we truly hope the students enjoy the book as much as we do working on it.

The Fair Facts being a very popular organization in the school has aimed to live up to the following aims:

- To build and hold a staff which represents all classes and interests in the school.
- To publish and print a six page twice-monthly newspaper with complete school coverage.
- To foster and strengthen school spirit as well as the promotion of alumni ties.
- To meet all financial obligations.

The Fair Facts staff has in a fair way accomplished its aims.

It feels that progress has been made through increased use of pictures and through the organization and function of Junior Fair Facts.

The Gamma Sigma branch of the National Honor Society was organized at Fairfax in 1945 to encourage students with extraordinary abilities to be more fully recognized in our school. This chapter took its name from the initials of a former and beloved principal Mr. Gordon Smith thus G. S. in Greek yields Gamma Sigma. The society is composed of those students who are outstanding in leadership, scholarship, character and service during the past year. These students have encouraged wide participation in school activities and have sponsored assembly programs. The members strive to make their organization one that the former principal would be proud to recognize.

The Dramatics Club has made a great accomplishment this term under their experienced director, Mrs. French. They acquired the fundamental basis of dramatics and presented a guidance play. In so doing they reached their goal of standard aims which were to present plays for the entertainment of the student body, and to familiarize themselves with the arts of dramatics. All members were very talented and worked well together while jokes and laughter filled the atmosphere during club meetings. The turn out for the club has been so great that a Junior Dramatics Club has been organized. They have worked on the basic principles of dramatic production and the acting out of pantomimes. The division has proven very successful as it facilitates a greater interest in both groups.

The following aims were set up for the Nursing Club; to secure information about nursing colleges; to assist at the county health clinic; to aid in the sick room of our school; to help with the X-ray clinic; and to take field trips to visit hospitals. These aims were successfully carried out by the girls under the excellent leadership of their sponsor and the willing cooperation of the faculty as they were excused on various days to help with the clinic in Fairfax. We feel confident that these able members of our club will be our nurses of the future.

The Varsity Club which is an organization made up of students who through their participation and cooperation have earned their Varsity letters have set their goal for this year as being a group to foster athletics at Fairfax High School, to promote good sportsmanship and furnish awards for the graduating Seniors.

The Varsity Club has gone over its goal by accomplishing the following things: It has given all members who have earned three or more letters, Athletic sweaters. Also they have given little gold charms of different sports to all of the lettermen and women that have already received a letter. A banquet for the Hockey girls and Football boys has been given and they have sponsored a dance. During our games the Varsity Club lends a helping hand by selling refreshments.

Acknowledgment

We, the students and faculty of Fairfax High School, wish to express to the editor, the sponsor and the entire staff of the FARE FAC SAMPLER our gratitude and appreciation for the efforts put forth in making the Twelfth Volume of our book a success, thus giving us another accomplishment to add to our advancing record of progress.

The staff would like to take this opportunity to thank Mrs. Hopper, our advisor, for her guidance and help; Mr. MacIntyre and Merin-Baliban for their services and cooperation with our photographs; Mr. Penny and Mr. Hicks of Brown-Morrison for their efforts in producing this book, the finest we have ever edited; all our advertisers who have made our undertaking an overwhelming financial success; the willing group of typists and other helpers not on the staff, who have worked endlessly without credit; and all other individuals who have contributed in any way to the successful completion of our task.
